NHS

N3 NEONATAL NUTRITION NETWORK

Neonatal Nutrition Network Study Day

Organised by Dr. Christina Kortsalioudaki, Dr Chris Forster, Ms Pam Stepney, Dr Mark Johnson

Come and join us for this highly successful multi-professional study day. We will explore a range of topics related to the nutritional needs and growth of premature and sick babies. Following presentations by expert speakers, delegates will have the opportunity to participate in targeted workshops on a variety of subjects.

Topics for Talks and Workshops

- Parenteral Nutrition: Current Practice and Emerging Developments
- Amino Acids, Vitamins and Minerals in Neonatal Nutrition
- Advances in NEC Prevention and Management
- Human Milk, Lactation and Breastfeeding Support in Neonatal Care
- Optimising Growth and Nutrition in Preterm Infants
- Nutritional Challenges in Surgical and Complex Neonatal Conditions
- Feeding Strategies for Preterm and Sick Infants
- Nutrition Beyond the Neonatal Unit
- Advances and Controversies in Neonatal Nutrition
